

## ATC Member Download User Guide

---

### Intended Audience

This document is for the customers who have purchased products from ATC.

### Member Downloads from ATC website User Guide

Web based system for the authorised Downloads of software and documentation for ATC products.

### Requirements to Access ATC website

1. Use a browser such as one of the following:

- Mozilla Firefox V3 or later,
- Internet Explorer 7 or later,
- Google Chrome V4 or later,
- Apple Safari V4 or later,
- Opera V9 or later

Please note this service is a purely web based. Please be aware that the site needs to be added to your company's "Allowed" Sites as firewalls may block access.

2. A member login account for the ATC Website.

### Website Access

ATC will provide member only access to the Memebr Only Downloads via its website:

<http://www.aldridgetrafficcontrollers.com.au> OR

<http://www.atsc4.com.au>

The End User or Installer needs to login into the ATC website by entering their username and password (Issued prior to this step) as shown in Figure 1 below.
