

ATC Scats Practitioner Course Instructions

<u>Name of Course:</u>	ATC Scats Practitioner Course
<u>Dates:</u>	10 – 14 February 2014
<u>Timing:</u>	9.00am to 4.30pm each day
<u>Catering:</u>	ATC will provide morning tea, lunch and afternoon tea

Attendance Details:

ATC is pleased to advise you that you have been accepted for the above training course.

The location of the course is the training room at our premises in Rydalmere.

Rydalmere is a suburb of Sydney, approximately 21 kms north-west of Sydney CBD and 4.5 kms from the local government area of the City of Parramatta.

There are numerous hotels to choose from in Parramatta, we can recommend the Novotel Parramatta (formerly the Sebel hotel).

Public transport is available to and from Parramatta to South Street and we are a 25 minute bus trip from Parramatta. Buses run roughly every 6 minutes.

Further information can be obtained from NSW Transport website <http://www.131500.com.au/>

If you choose to stay in Sydney CBD there are many hotels to choose from.

Good deals on accommodation in either Parramatta or Sydney CBD can be found on <http://www.wotif.com/> or www.hooroo.com or <http://www.lastminute.com.au/hotels>

Public transport is available although travel time can take up to 1 hour 15 minutes from Sydney CBD to Rydalmere.

For ideas on activities during your free time try the following website: <http://wotif.godo.com.au/experience-tours-activities-in-sydney?cid=MP004>

Attendees should make themselves familiar with Australian traffic signal operation. Please see attached manual. *****

Attendees with particular issues related to personality generation should bring signal designs to the course. The practical exercises can include those signal designs.
